These are our classmates. We are a group, and we often have fun at school. We do lots of activities like trips, projects...

This year we went to Cosenza, at the "Garden" theatre to watch a

On 11th April we went to Padula, to see beautiful caves.

Would you like to travel around the world, exploring and discovering lots of things? For us it's yes!

An important project that we're doing in these days is the “friendship box” a box where we put our thoughts about friendship, but also sweet messages to our friends.

Now you are also our friends and we are happy to write to you. To the next letter.....
