

## MY SCHOOL

Hi friends, we are Michele, Jesus, Luca, Chiara and Sara.

Our school is a Low Secondary.

Its name is I.C. Gregorio Caloprese.

It's so big and it is near the sea.

There are three floors.

In our school there is a Music room, computer lab, drama room, Art lab, main hall, gym and canteen.

There are also a lot of classes.

In every class there is a whiteboard.

Our head-master is Saverio Ordine.

He is tall, very slim and middle aged.

He is very intelligent and he is always ready to help.

This is the hall of the school.

The garden of the school.

The minibuses are always available.

It is a pleasure to take part in this twinning...
