

My town

Hello friends!

We are

SEBASTIAN, TARYN, FLAMINIA, LIBERATO, LORENZO
and CARLO.

We'd like to introduce our town **SCALEA**.

In the summer, the sea is very very beautiful.

The **TALAO TOWER**, is a fantastic old castle.

In the summer, there are also very funny rides.

In Scalea pizza is really delicious.

This is the football field...

...and this is a pedestrian area.

People usually go for a walk in the seafront.

**Well, our presentation is over, we hope you like it...
...to the next one.**

Bye for now

Your Italian friends
